THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON 7, ALBERTA

APRIL 10, 1969

Examinations begin in a few days, and flower children everywhere are giving their books some doleful attention. These two are on the east facade of the Arts Building.

VOLUME FIVE, NUMBER TWENTY-FIVE

GFC MEETING

The General Faculty Council held a meeting on March 31 in the Council Chamber of University Hall. The following items were considered:

STUDENT HOUSING

The Council received a report from the Housing and Food Services Committee which contained recommendations about the future development of student housing. The recommendations represented a departure from the present policy in that some residence facilities to be situated on the campus would be owned and operated by the students, and that there would be liquor outlets in the graduate residence. The appropriate University authorities are to be asked to contact the Central Mortgage and Housing Corporation with regard to financing, but the necessary documentation will be provided by the Graduate Students' Association and the Students' Union.

General Faculty Council accepted the report in principle, but expressed reservations about some of the detailed proposals, pending recommendations from the appropriate bodies. The proposals will now be submitted to the Board of Governors.

STUDENT FILES

The Council approved a recommendation of its Executive Committee that an *ad hoc* committee be established to ascertain what sort of material is in the student files at the University, and to make recommendations regarding their use and confidentiality. Later in the meeting, six members of the committee were elected. They were A. D. CAIRNS, Registrar of the University; HENRY KREISEL, Professor of English and Associate Dean of Graduate Studies; A. J. B. HOUGH, Director of Student Counselling Services; LEONARD E. GADS, Professor and Associate Dean of Engineering; and JOHN G. PACKER, Associate Professor of Botany. Three students are to be elected to serve on the committee, two to be nominated by the Students' Union and one by the Graduate Students' Association.

COPYRIGHTS

At its meeting on March 12, the Executive Committee received the following letter from MAX WYMAN, Vice-President, Academic, regarding copyrights of video-tapes prepared by members of the staff:

"At a meeting of the Radio and Television Committee, held on December 12, 1968, the questions of copyrights concerning video-tapes prepared by the staff was raised. The Radio and Television Committee feel that General Faculty Council should

It makes one wonder whether the weekend was worth it. This is the University post office, in the basement of the Administration Building, on a typical Monday morning. Somehow, those piles and bags of mail have to be sorted and delivered, in time to make way for the afternoon's onslaught.

form a committee to consider this matter and make a suitable recommendation to the Board of Governors. In view of the rights of individual members of the staff, it is suggested that the committee should have representation from the A.A.S.U.A."

During the discussion, it was pointed out that there is no university policy concerning copyright involved in the producing of video-tapes. It was also pointed out that some instructors prepare laboratory manuals which are sold to students, and that there is no policy concerning copyrights of these manuals. The Executive Committee, therefore, recommended to General Faculty Council that an *ad hoc* committee on matters concerning copyright be established, with representation from the A.A.S.U.A.

The Council approved this recommendation and established an *ad hoc* committee of six members. The members elected were HENRY MAMET, Director of Radio and Television; LESLIE C. GREEN, Professor of Political Science; GERALD S. H. LOCK, Associate Professor of Mechanical Engineering; CHARLES M. LOCKWOOD, Associate Professor and

Assistant Director of Extension; and WAYNE R. DRALLE, Associate Professor of Secondary Education and Director of Audio-Visual Media.

ELECTIONS

The following persons have been elected to serve on the General Faculty Council, commencing July 1, 1969:

GEORGE E. BALL, Professor of Entomology, by the Faculty of Agriculture, ROBERT V. BLACKMORE, Professor of Operative Dentistry, by the Faculty of Dentistry; DAVID FRIESEN, Associate Professor of Educational Administration, by the Faculty of Education; MARION E. D. JENKINSON, Professor of Elementary Education, by the Faculty of Education; FRANCIS L. JACKSON, Professor and Chairman of Bacteriology, by the Faculty of Medicine; ALAN R. P. PATERSON, Professor of Biochemistry and Director of the J. S. McEachern Laboratory, by the Faculty of Medicine.

In elections held at the meeting, PAUL C. SARTORIS, Associate Professor of Educational Psychology and Counsellor in Student

Counselling, was elected to serve on the Housing and Food Services Committee.

JOHN A. JACOBS, Killam Memorial Professor of Chemistry, was elected to serve on the Committee to select a Chairman for the Department of Geology. In another election, ROBERT S. FRASER, Professor of Medicine, and GORDON L. MOWAT, Professor of Educational Administration, were elected as alternate members on the Advisory Committee for the Selection of a President.

DEGREE DIPLOMAS

On the recommendation of the Faculty Councils concerned, it was agreed that diplomas will be printed in English for the Faculties of Education, Law, Physical Education, and Science. Diplomas for the Faculty of Medicine will continue to be printed in Latin, as this was the choice expressed by the students in the graduating year.

CAMROSE LUTHERAN COLLEGE

The Council approved in principle a request from the President of Camrose Lutheran College that the College be permitted to offer second year University transfer courses commencing in September, 1969.

PEOPLE

JANUSZ J. KLAWE, Professor of Geography, has been elected Vice-President of the International Cartographic Association. The Association will hold its 1972 meeting in Montreal, following the Congress of the International Geographical Union.

ALBERT KRYWOLT, a third year Bachelor of Music student from the piano class of SANDRA MUNN, Assistant Professor of Music, recently won the Alberta auditions of the Young Artists' Competition sponsored by the Registered Music Teachers' Association. Mr. Krywolt will represent Alberta at the Western Canadian Finals in Brandon, Manitoba on April 13.

KAROL KROTKI, Professor of Sociology, has received Canada Council awards totalling \$4,695, to study sex and age data, and demographic and economic interrelationships, using Canadian censuses.

Dr. Krotki will give a paper on errors in data sources and their treatment in United Nations publications and will also be a discussant in the fertility session at the annual meeting of the Population Association of America in Atlantic City in April.

Several members of the Department of Sociology will be on sabbatical leave during 1969-70. CHARLES HYNAM, Associate Professor of Sociology, will spend most of his leave at the Institute of Commonwealth Studies at London University and at the University of

Manchester. BABA ABU-LABAN, Associate Professor of Sociology, will do research on the assimilation of Armenians in the Near East. CHARLES HOBART, Professor of Sociology, will study minority group children living in residential schools. He will begin with Navajo children in the Southwestern United States, and will continue his work in Greenland and Lapland.

The Department of Sociology will be represented at the Pacific Sociological Association Meetings in Seattle from April 24 to April 26. SANDRA BALL, Assistant Professor of Sociology, will present a paper entitled "Perspective on Violence: Reality and the Media." Dr. Abu-Laban and DONALD LARSEN, Assistant Professor of Sociology and Community Medicine, will present a paper on "Norms and Deviant Behavior: the Case of Problem Drinkers." Dr. Hobart will be chairman of the session on "Power," and GORDON HIRABAYASHI, Professor and Chairman of Sociology, will sit on a panel on "The Departmental Chairmanship: Leader or Chore Boy? An Analysis of a Changing Social Role." JOHN FORSTER, Professor of Sociology, will be a discussant in the session on "Power;" JAMES HACKLER, Associate Professor of Sociology, will be a discussant in the session on "Crime and Delinquency." GEORGE KUPFER, Associate Professor of Sociology, will be a discussant on "Population Studies."

DAVID A. MACKAY, Associate Professor of Educational Administration, presented an invited paper, "Canadian Supervisory Practices," at the annual meeting of the Association for Supervision and Curriculum Development in Chicago from March 16-20. Dr. MacKay also spoke to the administrators' group during the Greater Edmonton Teachers' Convention, February 27-28, on the topic, "Teacher Autonomy and the Supervising Principal."

JAY K. BISHOP, Associate Professor of Educational Psychology and Elementary Education, spoke on "Readiness—Current Theories, Issues, and Programs" at a Reading Seminar sponsored by the International Reading Association, Edmonton District Local Council.

At the Alberta Department of Education Conference on Education at Lake Isle from May 18-21, several staff members from the Faculty of Education gave addresses. ERNEST HODGSON, Professor of Educational Administration, spoke on "From Precedent to Precedent." LESLIE R. GUE, Associate Professor of Educational Administration presented a paper on "Cultural Influences on Education." BRIGHAM YOUNG CARD, Professor of Sociology of Education, spoke on "Trends and Needs of Canadian Society."

CYRIL G. HAMPSON, Professor of Secondary

Education, addressed a seminar sponsored by the Department of Zoology of The University of Lethbridge on March 28. His topic was "Locomotion of the Rodentia." Dr. Hampson also addressed the Lethbridge Natural History Society on "Expedition Bathurst Island."

ALLEN BERGER, Associate Professor of Elementary Education, chaired a session entitled "Should Courses in the Teaching of Reading be Required for High School and College Teachers of English?" at the Conference on English Education, a division of the National Council of Teachers of English, Syracuse, New York, March 27-29.

BOREAL INSTITUTE AWARDS GRANTS

The Boreal Institute received some 30 applications for grants-in-aid of research in 1968-69. Sixteen of the applications have been granted for the 1969-70 session.

The following persons were awarded grants: RORKE B. BRYAN, Assistant Professor of Geography, for "Soil Development as a Function of Slope, Aspect, and Elevation in the Richardson Mountains, Northwest Territories"; ALAN CARTER, graduate student in Entomology, for "Comparative Ecology of Four *Patrobis* Species at George Lake, Alberta"; WILLIAM G. EVANS, Associate Professor of Entomology, for "A Survey of the Boreal Forest Cryptozoa"; WILLIAM A. FULLER, Professor of Zoology, for "Winter Survival of Small Mammals"; GRAHAM GRIFFITHS, graduate student in Entomology, for "The Agromyzid Fauna of Alaska and the Yukon"; CYRIL G. HAMPSON, Professor of Secondary Education, for "The Breeding Biology of the Stilt Sandpiper"; CHARLES W. HOBART, Professor of Sociology, for "Changing Patterns of Education of Eskimos in Canada"; OTTO E. HOHN, Associate Professor of Physiology, for a survey of birds and mammals in Northern Alberta or similar work on Melville Island, Northwest Territories; PAUL D. LEWIS, JR., Assistant Professor of Biological Sciences, The University of Lethbridge, for "Helminth Parasites of Terrestrial Molluscs in the Far North"; DONALD LOREE, graduate student in Sociology, for "The Marginal Situation of Canadian Indians"; JOHN V. MATTHEWS, JR., graduate student in Geology, for "An Environmental Analysis of Middle and Late Pleistocene Sediments at Cape Deceit on Kotzebue Sound, Western Alaska"; CHARLES E. SCHWEGER, graduate student in Geology, for "Late Pleistocene Paleoecology of the Onion Portage Region, Northwestern Alaska"; JOSEPH D. SHORTHOUSE, graduate student in Entomology, for "Biology of the Spiny Rose Leaf Gall"; G. WALKER of the Department of Mechanical Engineering, The

University of Calgary, for "Field Trials of NORGEM Hybrid Wheeled Ground Effect Machine"; ROBERT M. WATT, graduate student in Geography, for "A Proposed Land Use Plan for Skagway, Alaska"; WILLIAM ZUK, graduate student in Elementary Education, for "A Correlation Study of Indian and Eskimo Games."

TEACHING SALARIES STUDIED

The Dominion Bureau of Statistics reports that the salaries of university professors in Canada ranged from less than \$4,000 to more than \$30,000. The total number of professors of all ranks was 18,665 and the median salary was \$12,224.

Results of the 1968-69 detailed survey of the salaries of teachers in 64 Canadian universities and colleges show that the median salary for deans was \$22,555, for professors \$18,516, for associate professors \$14,058, for assistant professors \$11,030, for ungraded professors \$11,581, and for lecturers and instructors \$8,649.

Salaries of university teachers in Ontario average \$12,783, in the Western provinces \$12,272, in Quebec \$12,075, and in the Atlantic provinces \$10,596. Comparing institutions by size, it was found that salaries were highest (a median of \$12,563) in universities with 5,000 or more students. A slightly lower median (\$12,533) was found in institutions with 5,000 or fewer students, and still lower (\$11,511) for those from 2,000 to 4,999. The median for institutions with 1,000 to 1,999 students was \$11,068, and for those from 500 to 999 \$10,033.

VISITORS

PHILIP VERNON, Professor of Educational Psychology at The University of Calgary, visited the Center for Advanced Study in Theoretical Psychology from March 20 to 22 as part of the Center's Distinguished Visiting Scholar program. Dr. Vernon conducted seminars on "The Psychological Value of

Factor Analysis" and "Cross-Cultural Application for Factor Analysis."

NOTICES

COMPUTER SEMINAR

The Institute for Advanced Technology (a subsidiary of Control Data Corporation) will hold three-day seminars on Computer Assisted Instruction, in Dallas from April 16-18, and Colorado Springs from May 26-28. Information is available in Room 949 of the Education Centre.

CENSUS DATA AVAILABLE

A large volume of data from the Canadian census of 1961 and 1966, organized on the basis of enumeration areas, is available in the Population Laboratory of the Department of Sociology, Henry Marshall Tory Building T1-62. The data are available in two forms: data for Alberta only in print-outs; and data for all of Canada in magnetic tapes.

A workshop was held in Lister Hall when the data had just arrived to inform potential users of the possibilities for research presented by the data. However, because of the form taken by the data, many potential users found difficulty in using them. Members of the Department of Sociology are preparing guides for the users. The first of these guides, *Guide for Users of the Enumeration Area Print-Out Data*, by CHARLES S. LYON, is now available and can be obtained from the Population Laboratory. The cost is \$5. A similar guide is being prepared for those who use the data stored on tape. Persons wishing to use the data should apply to the Director of the Population Laboratory, WAYNE MCVEY, Lecturer in Sociology.

NON-ACADEMIC STAFF ASSOCIATION

The Annual General Meeting of the Non-Academic Staff Association of The University of Alberta, formerly Branch 22 of the Civil Service Association of Alberta, will

be held at 5 p.m. on April 23 in Lecture Hall 11 of the Tory Building. The agenda includes presentation of long-service pins and Life Memberships, regular business of the Association, and the consideration of a resolution that the suggested constitution and its by-laws be approved in principle, subject to the approval and acceptance of the Registrar of Societies of the Province of Alberta.

PERSONAL NOTICES

Staff members may forward notices to reach the Editor by 9 a.m. the Friday prior to publication. They must be typed, and not exceed 35 words including heading. Advertisements received will be published at the Editor's discretion.

FOR RENT—House in Hampstead, London, England. Four bedrooms. Two living rooms. Study. Garden. Close to public transportation. Available from mid-August, 1969 to August 31, 1970. Rent about \$144 per month. Contact Mark Fisher, Enfield College of Technology, Queensway, Enfield, Middlesex, England.

FOR RENT—Furnished bungalow in Grandview Heights. Three bedrooms—one in basement. Den. Two baths. Available from July 1, 1969 for one year. Local 4382, or 434-7829.

FOR RENT—Nine-room house in Garneau. Available for June, July, and August. \$160 per month plus cat sitting, Sinclair, 433-5923.

FOR RENT—Furnished three-bedroom home in Windsor Park. Den. Garage. Landscaped yard with trees. Walking distance of the University. Available May 15 to September 15. 422-5614.

FOR RENT—Furnished three-bedroom bungalow. Finished basement. Two open fireplaces. Two-car garage. Large attractive yard. Available from June 20, 1969 to August 20, 1970. Stephens, local 4797, or 466-5603 after six.

FOR RENT—Furnished three-bedroom bungalow. 1½ baths. Duggan area, 12 minutes from University. Available May 15 to August 15, approximately. Local 4924, or 435-2396.

FOR RENT—Furnished one-bedroom suite in Garneau. Laundry facilities. \$100 per month, including utilities. Available for May and June. 439-5097 after 5 p.m.

WANTED TO BUY—Four-bedroom home in Southwest Edmonton, preferably near the University. Smaller home with attached garage acceptable if extra space available for additional garage. Necessary for June 25, 1969. Write air mail to Richard A. Bogg, 465 Evergreen Drive, Ann Arbor, Michigan 48103, U.S.A.
